Attachment to the Notice of Non-Compliant Appeal Brief:

The appeal brief filed 3/11/05 is non-compliant for the following reasons:

1. Applicants improperly included amendments to the claims in the appeal brief. A new amendment, new affidavit, or other new evidence must be submitted in a paper separate from the appeal brief. Entry of a new amendment, new affidavit, or other new evidence in an application on appeal is not a matter of right. The entry of an amendment (which may or may not include a new affidavit, declaration, or exhibit) submitted in an application on appeal continues to be governed by 37 CFR 1.116, and the entry of a new affidavit or other new evidence in an application on appeal is governed by 37 CFR 1.195. (MPEP 1207).
2. Applicants must submit a correct copy of the claims on appeal as an appendix.
3. Applicants must submit any evidence entered and relied upon in the appeal as an appendix. If evidences were not submitted and/or not relied up on, then applicants must so state in the evidence appendix.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Krishnan S Menon whose telephone number is 571-272-1143. The examiner can normally be reached on 8:00-4:30.
